CONFIRMATION AND REPRESENTATIONS

I enter into this agreement with CRX International Inc. ("CRX") so that I may obtain access to medically-necessary and lawfully prescribed drugs at low costs. I represent:

1. I am of the age of majority in the jurisdiction in which I ordinarily reside.
2. I am not restricted from making my own medical decisions under the laws of the jurisdiction in which I ordinarily reside.
3. I certify that I am a resident of the United States and not a resident of any other country.
4. I am under the care of a duly qualified and licensed physician in the United States (my "U.S. physician") and the medicine that I ask CRX to assist me in obtaining was prescribed for me by my U.S. physician.
5. My U.S. physician has examined me within the last 12 months and will examine me at least once every 12 months while I am taking medicine.
6. Any medicine that I ask CRX to assist me in obtaining is medicine that I have already taken, under my U.S. physician's orders and supervision, for at least 30 days prior to placing an order for the medicine through CRX.
7. My care by my U.S. physician is ongoing and I do not seek and will not rely on any medical information from CRX or any CRX contracted physician.
8. I have not violated any laws in the jurisdiction in which I ordinarily reside (or, if different, in the jurisdiction in which the prescription was issued) in obtaining the prescription for the ordered product.
9. The prescription issued by my U.S. physician has not been altered in any way nor has it been filled previously.
10. I will use any medications obtained for me through CRX strictly in accordance with the instructions provided by my U.S. physician.

14. All information that I give to CRX is true.

AUTHORIZATION AND CONSENT

I consent to, and authorize, the following:

1. I hereby appoint CRX and its delegates and contractors (collectively referred to as "CRX") as my paid agents and attorneys-in-fact for the purposes of obtaining prescriptions which correspond to the prescriptions issued by my U.S. physician and of arranging for pharmacies to dispense to me medications as prescribed.
2. CRX may perform any act that I could myself perform in having my prescription reviewed by any physician, pharmacist, or pharmacy technician and in having the prescribed medication dispensed by a pharmacy and delivered to me.
3. CRX may arrange the purchase and delivery of the medications prescribed to me, on the terms set forth in this agreement, as if I personally took such actions.
4. CRX may receive and collect any and all information about me and my health, including but not limited to my full name, address, telephone number, e-mail address, personal medical information, and payment information, and may maintain such information on file as necessary to verify and process future orders and to obtain payment and reimbursement for them. CRX and CRX contracted physicians and pharmacists may share any and all information received from or about me with my U.S. physician, CRX contracted physicians and pharmacists, and their respective assistants and agents, for the purposes of obtaining medicine as prescribed for me and of obtaining proper payments for the medicine and related services.
5. I authorize and instruct my U.S. physician to release to CRX (and any CRX contracted physician, pharmacist, and pharmacy technician) any and all personal medical information pertaining to me ("Personal Medical History"), including but not limited to all medical records, medical reports, progress notes, nurses' notes, reports on diagnostic tests, medical opinions, X-ray records, imaging records, laboratory reports, and/or any other knowledge or information which my U.S. physician may possess.
6. I agree to instruct my U.S. physician to issue my prescription on paper (if necessary for dispensing by a pharmacy located outside my U.S. physician's jurisdiction) and to send (by mail, by fax, via the internet or otherwise) to CRX from my U.S. physician's office the original signed copy of the prescription.
